In response to the Office Action of June 5, 2002, please amend the above identified application as follows:

IN THE TITLE

a1

Please delete the present title and replace with: "Reservoir with Hydrogen Storage Material."

IN THE ABSTRACT

Please delete the present abstract and replace with the following:

An HM reservoir for storing hydrogen includes a housing and a plurality of storage units.

a2

The storage units are stacked in the interior of the housing. Each storage unit includes a pair of plate-like molded bodies and a flat heat exchanger. The plate-like molded bodies are formed by compressing powder of hydrogen storage material. The heat exchanger is
